- Funding Ends:** 23rd May 2025
- Half Term:** 26th May 2025 to 30th May 2025
- Funding Resumes:** 2nd June 2025

Dear Parents/Carers,

As we end the spring term, I want to thank you for your continued support. It has been wonderful watching the children grow in confidence and explore new learning opportunities.

We're excited to celebrate Mother's Day with you at our Tea Party—we hope you can join us! If you need childcare over the break, our Easter Holiday Club is open for bookings.

Wishing you all a lovely and restful break. We look forward to welcoming you back for an exciting summer term ahead!

Kind Regards,
Farhana Yasmin

Meet the Staff: Amina - Our Wonderful Chef

Meet Amina, our wonderful chef who has been cooking delicious meals for our nursery for over 10 years! The children love her food so much that they often ask for 'nursery food' at home, and parents even request her recipes.

When she's not in the kitchen, Amina enjoys spending time with friends and family, going out for meals, and making special memories with her three grandchildren. She has a particular fondness for Ferrero Rocher milkshakes, which she considers the perfect treat after any meal. She also loves travelling and watching movies.

We're so lucky to have Amina as part of our nursery family. Her warm personality and amazing cooking bring joy to us all!

Baby Room News

This term, our babies have been busy exploring colours through sensory play and creative activities. They enjoyed looking at and touching bright, colourful materials, experimenting with paint, and exploring different textures.

We are also excited to welcome two new babies,

who have settled in beautifully. It has been wonderful to see our little ones reaching new milestones—Aleezah took her first steps on her first birthday! Some of our babies are now standing up and getting ready to take their first steps, and we can't wait to see them grow and develop even more.

Toddler & Preschooler News

This term, we explored the Spring & Garden topic through engaging stories about growing plants and magical beanstalks. The children loved these books and have been excited to retell the stories to their friends—especially shouting 'Fee, Fi, Fo, Fum!' just like the giant! They also enjoyed planting activities, learning about growth, and exploring with beans in creative ways.

With the brighter weather, the children have loved spending time outdoors, exploring and having fun in the garden!

They also planted sunflowers to gift their mums for Mother's Day, making a special keepsake to celebrate the occasion.

World Book Day

We had a fantastic time celebrating World Book Day! The children looked amazing in their costumes—a big thank you to all the parents for dressing them up. Our staff also joined in the fun

by dressing up too!

The children enjoyed lots of exciting book-themed activities. The babies fed The Very Hungry Caterpillar and searched for Where's Spot?. We made playdough

Gruffalos, built castles for giants using wooden blocks, and took part in an obstacle course inspired by We're Going on a Bear Hunt.

It was a wonderful day filled with stories, creativity, and laughter!

Red Nose Day

We had a fantastic time celebrating Red Nose Day and raising money for a great cause. The children came in wearing red and kindly donated 50p. To mark the day, we enjoyed lots of fun red-themed activities.

We are so proud to have raised **£40** to support this important charity—thank you to all our families for your generosity!

Topic: Springtime

Next term, our Babies will explore the joys of Springtime through lots of sensory play. They will feel soft petals, splash in water, and explore grass and play soil with their hands. We will listen to birds singing, watch bubbles float in the air, and enjoy the warmth of the sun during outdoor play in the garden. Through songs, stories, and hands-on activities, the babies will experience the sights, sounds, and textures of spring in a fun and engaging way.

Topic: People Who Help Us

Next term, our Toddlers and Preschoolers will be learning all about the important People Who Help Us in our daily lives, from doctors and firefighters to police officers and lollipop lady. Through role play and hands-on activities, children will explore real-life experiences, learning how these helpers keep us safe. We will also focus on key safety topics, such as who to call in an emergency, the importance of rules, and road safety. This will be a wonderful opportunity for the children to develop their understanding of the world around them in an engaging and meaningful way!

Reminders

Contact Information: Please ensure your contact details are up-to-date.

Label Belongings: To prevent mix-ups, kindly label your child's belongings.

Seasonal Clothing: As the weather changes, ensure your child has suitable clothing for the seasons.

Nappies & Wipes: If your child is in nappies, please provide nappies and wipes.

Spare Clothes: Accidents can happen! Please pack a set of spare clothes for your child.

Attendance & Absences: Let us know if your child will be absent for any reason.

Primary School Placement Confirmation

On **Wednesday, 16 April 2025**, you will receive confirmation of your child's primary school placement for September 2025.

Notifications will be sent by your local council via letter or email.

To help us support your child's transition, please inform us of the school they will be attending. This will allow us to prepare their transition reports.
